Once logged in, the next screen should look like this. Click on “Profile” (red circle).

This should be the next screen. Click on “Child Management” (highlighted by red circle).

Your child's name should be listed here (see my children below).

If not, you need to add them to your profile.

The screenshot shows the 'Child Management' section of the Hockey Canada Parent Program website. The header includes the Hockey Canada logo, the text 'Hockey Canada presents Respect in Sport Parent Program', and the OMHA logo. A navigation bar contains links for Home, English, Français, Profile, and Logout. A left sidebar has a search box and links for My Profile, My Certifications, My Preferences, and Child Management. The main content area is titled 'Child Management' and contains instructions: 'In order for your association to receive record of your certificate, your child/children **MUST** be added here.' It also states: 'Please ensure the first name, last name and date of birth are entered the same way as they would have been registered for hockey.' and 'Once you have added all of your children who are currently playing hockey select "No Further Children to Add".' Below this is a table with columns for First Name, Last Name, Date of Birth, Hockey ID, and Edit. The table contains three rows, with the first two rows having their names redacted with black boxes. Below the table are form fields for First Name, Last Name, Date of Birth (with Year, Month, and Day dropdowns), Gender (with a Male dropdown), and Association (with a dropdown menu). At the bottom are buttons for 'Add This Child' and 'No Further Children to Add', followed by the text 'You may add additional children in future by clicking on the Profile button'.

Child Management

In order for your association to receive record of your certificate, your child/children **MUST** be added here.

Please ensure the first name, last name and date of birth are entered the same way as they would have been registered for hockey.

Once you have added all of your children who are currently playing hockey select "No Further Children to Add".
