

Hockey Skills Development

with Michael Hartwick, Head Coach of the Napanee Raiders

Our philosophy: We will offer fun, competitive sessions to ensure every player has a great learning experience. Players will work together with instructors and learn about the many positive aspects of hockey life. Our mission is to accelerate the development of core hockey skills for each player. Areas of skill focus are:

- *Skating
- * Agility
- * Turning
- * Shooting
- * Passing
- * Stickhandling

To ensure an excellent student to instructor ratio spaces are limited.
