Napanee District Minor Hockey Representative Tryout Policy

Napanee District Minor Hockey (NDMH) has set out the following rules regarding tryouts for Representative Teams:

1. Players must be registered through HCR before attending tryout skates. Players have until the last tryout date for their division to register for tryouts (this does not include an exhibition game, if applicable), however, the registration fee remains the same. Once the tryout process has begun (i.e. the first skate for that division has occurred), no discounts or refunds will be provided.
2. Players trying out for divisions U11 through U18 are guaranteed 2 skates. U9 MD is guaranteed 3 skates.
3. If a player is injured and cannot attend tryouts, they still must be registered for tryouts, and they must reach out to the VP OMHA (omha@ndmha.ca) to inform them of their situation.
4. If a player is also registered to tryout in another centre, and is unable to attend all tryout sessions within Napanee District Minor Hockey, they must attend at least 1 tryout session to be considered eligible for selection to the team. They must also inform VP OMHA (omha@ndmha.ca) of their intent to tryout for multiple teams. NOTE: Players who register late will not be guaranteed to attend the 2 skates as described in 2.
5. For any divisions that have two teams, players must have attended tryouts for the 1st entry team of that division in order to be considered eligible to tryout for the 2nd team.
6. Napanee District Minor Hockey has an import player policy for Representative Teams. It will be available on our website for review.
7. An Offer of Commitment may be extended to a player following the first tryout. This offer will include a link to the NDMH Registration page, where you will have the option to either pay the full season fee or submit a deposit and set up a payment plan. Please note that if online registration is not completed within 24hrs of receiving the link, the offer may be rescinded. Once an Offer of Commitment is accepted and signed, the player is officially bound to that team and is no longer eligible to sign with another team.
